State HAVA Funding Reports
U.S. Election Assistance Commission
1225 New York Avenue, NW-Suite 1100
Washington, D.C. 20005

Dear Commissioners:

Enclosed are the Financial Status Reports (Standard Form 269) detailing how Tennessee spent monies allocated under Title I, Sections 101 and 102. This narrative covers only expenditures made between January 1, 2005, and December 31, 2005.

Because Tennessee has not yet purchased voting machines to replace punchcard and lever machines, Tennessee did not spend any of the Section 102 grant money during the 2005 calendar year.

Tennessee spent \$156,057.84 of Section 101 money last calendar year. The vast majority of that money, \$147,597.50, was spent to pay salaries, benefits, and office and travel expenses of two employees: the manager of the statewide voter registration database and the state's HAVA coordinator.

The manager of the statewide voter registration database oversees the changes being made to the current system and works with and trains employees of the ninety-five (95) counties with respect to the system. Our HAVA coordinator fills a position created last year to help implement new voting systems in certain counties and to oversee and conduct ongoing training for our county election commissions.

The other Section 101 money that was spent last year includes \$832.46 for the printing of new user manuals for our statewide voter registration system, \$559.00 for staff to attend training related to HAVA, and \$7,068.88 for equipment associated with the statewide voter registration database.
